

## Product description

Our foldable pallet boxes guarantee an economic transportation and a space- saving storage. In the case of box Alpha, the sleeves are folded and placed in a set- up container for the return and storage of empty containers. The pertinent pallets and lids are stacked separately for freight- optimized transport.

Advantages:

- Maximum volume reduction
- Easy handling due to low weight
- UV- resistant and weatherproof
- Long durability and service life
- Versatile equipment possibilities
